POLICY STATEMENT:

Prisoners in Correctional Facilities Administration (CFA) institutions shall be provided state-issued items, including clothing, and provided cell/room furnishings to provide for their basic personal needs while incarcerated. If needed, prisoners shall be provided other state-issued clothing upon parole or discharge.

POLICY:

GENERAL INFORMATION

- A. For purposes of this policy, "prisoner" includes probationers in the Special Alternative Incarceration Program (SAI).
- B. All state-issued items and cell/room furnishings shall be clean and in good repair, and shall be replaced in accordance with policy at all facilities as needed due to normal wear and tear or loss.
- C. The CFA Deputy Director shall determine the official material for state-issued prisoner clothing. The clothing shall be issued to prisoners in the proper size and shall be reissued as necessary due to a change in clothing size. If a prisoner requests an item in an unusual size (e.g., extremely large; extremely small) and the item cannot be provided from Michigan State Industries within 30 calendar days of the request, the item shall be immediately ordered from another source. Clothing items shall be worn consistent with standards set forth in procedures issued by the CFA Deputy Director or, for SAI, as set forth by the Warden of the Cooper Street Correctional Facility (JCS). Except for underwear and headgear issued pursuant to Paragraph I, clothing items may be reissued to other prisoners.
- D. Prisoners are responsible for having their washable state-issued items, including clothing, laundered. Each Warden shall develop a laundry schedule to ensure that regular laundering services are available to prisoners. Laundry schedules shall be posted in all housing units in an area accessible to prisoners.
- E. Prisoners may not decline state-issued items issued pursuant to Paragraph I except for pajamas, underwear items, or if an alternate item is required to be issued for medical reasons as documented by a currently valid Special Accommodation Notice (CHJ-244) issued pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices".

STATE-ISSUED CELL/ROOM FURNISHINGS IN CFA INSTITUTIONS

- F. In SAI, state-issued cell/room furnishings shall be issued as determined by the JCS Warden. For all other prisoners in the general population, state-issued cell/room furnishings for prisoners shall include the following, unless specifically exempted in writing by the CFA Deputy Director:
 1. One acrylic, stainless steel or polished aluminum mirror. This is not required if mirrors are provided in a community grooming area (e.g., washroom).
 2. Bulletin board – maximum 2' x 2'. Except for a reasonable selection of neatly arranged pictures which may be displayed on a desk or locker top or inside the locker, pictures and other displays may be hung only on a bulletin board within the prisoner's cell or room. Nude pictures, to the extent permitted in PD 05.03.118 "Prisoner Mail", shall not be displayed or hung anywhere in a cell or room, including on bulletin boards or inside lockers. This does not prevent a prisoner from keeping the nude pictures in an approved scrapbook or photo album provided the pictures are not openly displayed in the cell or room.
